

Wants, Needs and Rights

Everybody wants different things. We might want toys or sweets or a new pair of shoes. Some of the things we want are things we need to survive. We need food, water and shelter. These needs are important to all people, because they are so important everyone should be entitled to them – we call them human rights.

de Luptă împotriva
Sărăciei și a
Excluziunii Sociale

Director,
Prof. Genoveva Ioana

Activitate înscrisă în
Programul „Primăvara Europeană” – 2010

The goal of the EU is to form a region of freedom, security and justice. Freedom in this connection cannot be just the freedom of the strong, but it must be combined with fraternity and equality.
(Tarja Halonen)
